

### POWDER COATINGS

In order to keep this price list concise we have omitted items that are additionally repeated in different RAL colours. This directly applies to many parts for the Stuv 21, the Stuv 30 in and Stuv 30 compact in. Nearly all of the following RAL colours are available as powder coatings for the various claddings, façades and front panels...

### LEAD TIMES

Certain items require an extended lead time to manufacture, as they are built to order. Please confirm lead times when ordering. As a general principle please allow for the following times...

- **4-6 weeks** Claddings, façades and front panels
- **8-12 weeks** Rust oxidised process
- **4-6 weeks** Some models of pipes
